## Free Community Event @ The Valley Cinema

Saturday - January 21, 2017 @ 1 pm

230 General Admission Seats : First-Come, First-Served

Kabuki (歌舞伎) is classical Japanese dance-drama, known for the stylization of its drama, impressive stage sets, and for the elaborate make-up and costumes worn by some of its performers.

Cinema Kabuki offers English speakers the experience of full-scale Kabuki performances on the big screen with English subtitles, by some of Japan's biggest stars. High-definition (HD) images and 6-channel sound highlight the authenticity of Kabuki.

Cinema Kabuki is only offered in a handful of cities across the US each year; we hope you can join us for this unique and free event.

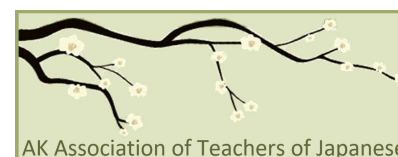

Special Japanese music will be provided by UAA String Club.
