“The presentation” is an online event where students from Japan-Alaska sister cities give presentations introducing tourist attractions and shopping streets, and presentations on things that are popular in schools and communities in their towns.

Students can also participate in the “Online Youth Forum” (for details, please see <https://www.anchorage.us.emb-japan.go.jp/files/100392678.pdf>) and discuss the content of their presentations (No language skills required).

All works will be judged by sister city judges, and, to excellent presentations, wonderful prizes will be awarded.
